

# TADS® Billing and Tuition Management Puts Schools in Control

## The Smart Way to Handle Payments

Schools need a reliable, adaptable solution to streamline tuition processes. TADS® Billing and Tuition Management offers an intuitive, all-in-one system for payment processing, contracts, fees, grants, and discounts—ensuring smooth operations while providing families with the flexibility they need.

## Key Benefits

### FLEXIBLE BILLING OPTIONS

Support all payment plans, including fully customizable options tailored to each family's needs.

### CUSTOM CONTRACTS & ON-DEMAND REVISIONS

Easily create, edit, and update contracts, with automatic notifications to families whenever changes are made.

### AGREEMENT TRACKING

Monitor signed contracts in real time and identify agreements that require follow-up.

### COMPREHENSIVE FEE COLLECTION & MANAGEMENT

Easily manage unlimited fees, credits, and adjustments with complete control.

### DELINQUENT ACCOUNT FOLLOW-UP

Automated email reminders and follow-up calls help families stay on track. TADS provides direct support for families and can work with late payers to find a solution that ensures a resolution.

### ACCOUNT MAINTENANCE WITH TADS FLEX

School administrators can set, adjust, or remove fees as needed to fit their institution's needs. TADS Flex also helps schools maintain a high collection rate by allowing administrators to manage fees directly or have TADS handle fee collection.

## Payment Services

**Digital Statements:** Families receive email notifications and can access their accounts online at any time.

**Multiple Payment Options:** TADS offers a range of payment methods to support different family preferences:

- Bank Account (ACH)
- Credit card
- Mailed check or money order
- Wire transfer (from US or International Banks)
- Cash or other payments received directly at the school office

Families can set up automatic or one-time payments online or by phone, offering flexibility and convenience.

## Detailed Reporting

**Clear and Organized Data:** Insightful, visual reports presented in user-friendly dashboards make data easier to understand and act on.

**Accessible and Actionable Insights:** Schools can access a wide variety of reports, providing valuable financial insights to support their needs.

## Accounting & Financial Integration

TADS provides general ledger exports, detailed total receivables, and summary aging reports, giving schools full visibility into their financial data. Schools can export reports in various formats, making it easy to incorporate financial data into their existing accounting systems.
